Accessibility Awards Ceremony

FRIDAY 28TH MARCH 2014

Celebrating Accessibility in the North West

A project funded by the European Union's INTERREG IVA Programme managed by the Special EU Programmes Body, delivered by Co-operation and Working Together's (CAWT) Community Awareness Programme and supported by the Public Health Agency, Western Health and Social Care Trust and Derry-Londonderry City of Culture.

Message from **Funders**

On behalf of the funders of this programme I would like to congratulate and thank all participating organisations. Your commitment to accessibility and to positive change is being recognised today at this awards ceremony.

We hope that the Change a Little Change a Lot Accessibility Awards will motivate you to continuously monitor and improve accessibility within your organisation.

From our own experience, once the mind-set and attitude to improving accessibility for people with disabilities is evident in an organisation, that commitment is a long-term one. From all of the funders and stakeholders, congratulations to the award winners. To our funders - the Special EU Programmes Body, HSE, the Public Health Agency and Derry City Council - your investment in this programme will leave a legacy for people living in and visiting the North West. Thank you.

I would also like to thank our Independent Advisory Panel Members who adjudicated on all applications. Their input and expertise has been invaluable: Shauna Clifford, Teresa McDonough, Sean Canavan, Alan Leslie and Brian Clarke.

Edel O'Doherty

Deputy Chief Officer, CAWT
